TERMS & CONDITIONS

Product Dimensions/Information

All dimensions and weights shown are to be considered approximate as the majority of the products are manufactured in countries using the metric system; most measurements are converted from metric units. Bum Commercial Furniture (hereon referred to as “Bum” / “we”) reserves the right to make improvements to information displayed in our catalogue as well as our website without prior notice.

Please note that all finishes on our marketing materials and website are approximate due to variation in colour monitors and the processes of photography and printing.

Assembly

Some products require assembly; please refer to the instructions included with item packaging or visit our website for information on assembly instructions. If instructions are not available, please contact info@bumoutdoor.ca

Availability

Bum orders items in this catalogue continuously based on historical values; depending on quantity, Quick Ship items should be readily available in stock, however, may have an extended lead time in case of current sell-out, or material shortages. We strive to keep substantial quantities of our bestsellers in stock at all times.

Special Order

Bum has access to many items outside of our Quick Ship catalogue. Special order can be placed through Bum, however those items do have a significantly longer lead time, sometimes up to 22 months for items from EMU. Please note that all special order items require a special order form to be signed as well as a 25% deposit taken (in some cases). Once orders are placed, they cannot be cancelled. Customer is responsible for 100% payment of product cost if cancelled.

Pricing

All prices published are MSRP and SELL per single unit, and do not including shipping costs, taxes or installation. Due to frequent currency and raw material fluctuations, we reserve the right to change prices without notice.

All Bum Commercial Furniture dealers (brick and mortar and online) must not sell our products for less than the sell price listed in our current year Quick Ship catalogue and website.

Please contact your local Bum Commercial Furniture representative for quotes. For a local rep please contact info@bumoutdoor.ca. All quotations received from Bum Commercial Furniture or our sales representatives are valid for 30 days unless prolonged in writing.

Without that being done, the order is not yet confirmed and valid. Bum will not be held responsible for any errors or missing information on sales order confirmations. All orders will ship ASAP unless otherwise noted on the purchase order. Please note: if an order is split shipped, backorder shipping charges will apply.

Claims & Damages

Bum Commercial Furniture carefully packages its products and inspects them thoroughly before they leave the warehouse. Photos are also taken. It is the duty of the receiving party/consignee to inspect and receive all merchandise immediately upon arrival for any visual and/or concealed damage. Effective immediately: all freight deliveries from Bum Commercial Furniture are required to be inspected by the receiving party/consignee before the carrier leaves their facility. A signature and note of any potential damage must be clearly documented in detail on the Bill of Lading.

If freight damage is discovered after the carrier has left the facility and has not been documented on the Bill of Lading, those damages and/or replacements will be the responsibility of the receiving party/consignee. The product will not be eligible for refund or replacement by Bum Commercial Furniture.

Products with freight damage from all Third-Party and Collect shipments (including pickups) are not eligible for replacement by Bum Commercial Furniture. Customers must contact their carrier directly.

Freight Claims & Damages

VIA 3rd Party

If a specific carrier was requested on the purchase order, the customer takes full responsibility for all freight issues, including contacting the carrier, damages, losses, and additional freight charges, and claims.

VIA Carrier

Before accepting and signing the merchandise from the carrier, inspect all cartons for visible or concealed damage and clearly note any loss or damage on the delivery receipt/Bill of Lading. If there is loss or damage, make an immediate claim with the delivery carrier. In the even of concealed damage, save all cartons and packing materials and notify the freight carrier and Bum Commercial Furniture immediately for inspection. Missing items/parts/hardware claims against us will be considered only if filed with us via our website <https://bumoutdoor.ca/warranty/> within 3 days of the delivery date. Failure to make such a claim shall constitute acceptance of the merchandise and waived of any defects, errors, or shortages. Bum Commercial Furniture is not responsible for damage or loss incurred in transit. All furniture is shipped at the purchaser's own risk after it has been inspected and securely package at the distribution centre. It is accepted as such by the freight carrier.

General Maintenance

As with any piece of equipment, proper and periodic maintenance is necessary to ensure the longevity of the product and customer satisfaction. To ensure you get the most out of your investment, please follow our recommended maintenance and care instructions.

We recommend that the products be examined every 30 days. Items requiring adjustments, showing any sign of structural failure, missing hardware, or showing any cracks at the welds should be taken out of service immediately until repaired.

Loose screws should be tightened as required and missing or worn-out foot caps must be replaced. To obtain replacement parts, please contact your local sales representative and/or info@bumoutdoor.ca.

Furniture should be handled with care. When chairs are stacked, the stack should not be dragged. Stackable chairs should not be dropped or slammed down when being unstacked. People should not rock back or stand on the seats.

For storage, all furniture should be stored neatly, stacked to the suggested height, and packed in a clean and dry area. Tables should not be flipped and stacked. Any standing water needs to be removed to avoid damage to the finish. Cushions that are stored for longer periods of time should be stored in a well ventilated area.

Note: warranty may be voided if proper maintenance or care is not followed. Proof of care and maintenance is required with claims being made.

Warranty

Bum Commercial Furniture has a 3 year limited warranty on all products. The limited warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence, abuse or normal wear and tear. All items must be properly assembled and taken care of as per instructions. Upkeep of product (i.e. replacing chair feet) is the responsibility of the customer.

Warranty is only valid if all parts that can wear (i.e. foot caps) are replaced annually. Parts must be purchased within one month of replacement time and proper maintenance must be followed. Product failure caused by lack of reasonable and necessary care and maintenance is not covered under warranty.
